CONCRETE SUSTAINABILITY CONFERENCE

APRIL 13-15, 2010 - TEMPE, AZ

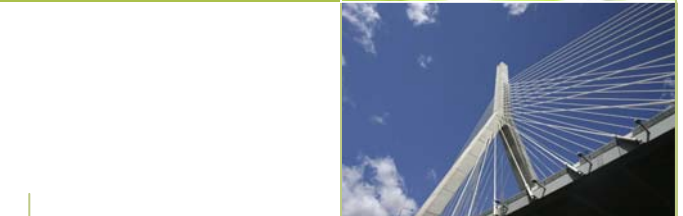

Apply now to sponsor the event attended by top concrete professionals.

Join the National Ready Mixed Concrete Association and the School of Sustainable Engineering and the Built Environment at Arizona State University for the 2010 Concrete Sustainability Conference, April 13-15, in Tempe, AZ. The fifth annual Concrete Sustainability Conference* will provide learning and networking opportunities on the latest advances, technical knowledge, continuing research, tools and solutions for sustainable concrete manufacturing and construction.

Researchers, academics, students, engineers, architects, contractors, concrete producers, public works officials, material suppliers and concrete industry professionals will attend this symposium to learn and discuss innovative and state of the art developments on concrete and sustainable development.

Topics include:

- ◆ Low Impact Development
- ◆ Urban Heat Island Reduction
- ◆ Carbon Footprint and Embodied Energy
- ◆ Sustainable Development Initiatives
- ◆ Recycled Materials
- ◆ Performance-based Concrete
- ◆ Government Initiatives
- ◆ Private Initiatives

Sponsor and take advantage of this valuable exposure.

- ◆ Company logo displayed at the event
- ◆ Company logo on place cards at meals
- ◆ Company logo displayed on-site and other promotional materials
- ◆ Company logo on the event web page
- ◆ Exhibit space at NRMCA member rate

Sponsorship is priced to deliver a great ROI.

- ◆ NRMCA members: \$3,000 (or less if you sponsor other NRMCA events)
- ◆ Organizational partners and their members: \$3,000
- ◆ Non-members: \$6,000

Sponsor the conference today by completing the attached form and returning it to NRMCA along with the required payment. **There are only eight sponsorships available and they are assigned on a first-come, first-serve basis, so don't delay!**

For additional information contact NRMCA's Frank Cavaliere at 240-485-1141 or fcavaliere@nrmca.org.

* The Concrete Sustainability Conference was formerly known as the Concrete Technology Forum.
